“Since starting school again in my fifties, taking two online summer classes allowed me to stay on track for graduation while still being able to enjoy my summer and work full time.”
—Jennifer Adkins

“‘I took a summer course to motivate myself to finish my degree quickly, plus I was extremely interested in the History of Witchcraft and Magic course.’
—Kathryn Anderson

“I switched my academic plan during the middle of sophomore year and needed to catch up on some courses. The Summer Session allowed me to make up for lost time to be on track for my graduation date.”
—Rachel Degutz

“I took my Summer Session course because it was a prerequisite for one of the classes I wanted to take. It allowed me to prepare and feel confident upon entering the next class.”
—Michael Dalton

“I encourage anyone to take Summer Session to get ahead in their studies and be able to feel and experience the impact education has on students.”
—Samantha Posada

“Enjoy a vibrant and busy campus, this summer, participate in dozens of activities including dance classes, barbecues, movies, and more. In addition, campus recreational centers will be open for swimming and other activities. Learn more at summer.rutgers.edu/nb.”

SERVICE LEARNING AND SUSTAINABLE LIFESTYLE IN GREECE 01:377:483
This two-week, 3-credit elective course (May 17 – 30) combines the educational needs of vulnerable populations in Greece and the goals of the United Nations Agenda to provide a 21st Century service learning experience dealing with contemporary global issues from a multidisciplinary perspective. It provides students knowledge, competencies, and skills related to global goals for sustainable development using the paradigm of a sustainable lifestyle, and creates opportunities for students to contribute meaningful service to migrants, refugees, and vulnerable social groups, in partnership with volunteers and non-governmental organizations (NGOs), in Greece. Participants must have a minimum 2.5 GPA and must consent of the instructor. For more information, visit summer.rutgers.edu/serv.

EXPLORE THE ORIGINS OF THE MEDITERRANEAN DIET IN CRETE ISLAND 01:377:416
The local diet of Crete Island is associated with numerous health benefits. This three-week, 3-credit elective course (June 16 – 30) provides students the opportunity to study this Mediterranean diet in its place of origin, along with sustainable food production and consumption patterns, emphasizing traditional Mediterranean practices. Students will also be exposed to the complex concept of food systems and its association with culture, public health, economy and the environment through the example of the agriculture-based diet and economy of Crete Island. Participants must apply online; complete personal interview; have a minimum 2.5 GPA and consent of instructor. For more information, visit summer.rutgers.edu/origins.

WATER SPORTS PHYSIOLOGY AND PRACTICE 01:377:484
Water sports are an enjoyable and sustainable form of physical activity that serve as the basis for studying both scientific (physiology and nutrition) and administrative aspects of exercise in this two-week, 3-credit elective course (June 22 – July 5). Students will learn basic skills and practical applications of surfing, windsurfing, kayaking, stand-up paddling (SUP), and sailing, and gain practical experience in aquatic learning center management at the Surf Club Keros on the Greek Island of Lemos. Participants must have a minimum 2.5 GPA and instructor’s consent; moderate fitness and swimming level is recommended. Prior experience in water sports is not required. For more information, visit summer.rutgers.edu/watersports.

NEW! LIFESTYLE AND HEALTH CONFERENCE JUNE 8-9
